

Program of the conference Around The Knee,
May 24-25, 2024, Wrocław New Horizons Cinema

Friday, 24 may

9:00 Opening Bogusław Sadlik, Paweł Skowronek **room 9**

9:10-10:45 Session 1

room 9

9:10 *Knee phenotype* - Michał Skowronek (Kraków)

9:22 *Comparison of the concept of different types of alignment in surgical technique* - Piotr Sankowski (Wrocław)

9:34 *Pre-operational planning based on CPAK, classification* - Michał Skowronek (Kraków)

9:46 *TKA procedures with a robot - comparison of current systems* - Arkadiusz Bielecki (Rzeszów)

9:55 *Types of implants and clinical outcome* - Jerzy Cholewiński (Katowice)

10:05 *The impact of new technologies on the clinical outcome (robotics, navigation, AI)* - Bartosz Maciąg (Warszawa)

10:15 Discussion with analysis of clinical cases.

10:45 Coffee break

11:00-12:45 Session 2

room 9

11:00 *Trends and future in primary and revision knee arthroplasty* -
Ryszard Faltus (Piekary Śl.)

11:10 *Update on clinical results from PSI use.* - Juliusz Dec
(Nieborowice)

11:20 *Unicompartmental knee endoprotosoplasty as a
joint-preserving procedure* - Paweł Skowronek (Kraków)

11:30 *Optimization of perioperative management of the patient
(steroid, LIA, TXA, drains, ischemia)* - Łukasz Dutka (Kraków)

11:40 *Early and late complications after Uni and TKA* - Paweł Ziętek
(Szczecin)

11:50 *Revision endoprosthesis of the knee* - Andrzej Kochman
(Wrocław)

12:00 Discussion with analysis of clinical cases

12:45-13:45 Lunch

13:15 Why should an orthopedist diagnose and treat osteoporosis? - Prof. Piotr Morasiewicz

13:45-14:30 Session 3

room 9

13:45 *Knee pain without organic changes* - Wojciech Klon (Rybnik)

13:55 *Psychogenic knee pain syndromes* - Joanna Rymaszewska (Wrocław)

14:05 *Degenerative disease after early meniscectomy - myths and facts* - Marcin Domżański (Łódź)

14:15 *Regenerative and comprehensive knee treatments, i.e. Joint Preservation Surgery* - Łukasz Łapaj (Poznań)

14:25 *Meniscal transplants - when and for whom? - long-term results* - Maciej Pawlak (Gdańsk)

14:35 *Regenerative repair of menisci* - Paweł Bąkowski (Poznań)

14:45 Discussion

**15:00-16:15 Session 4 Under the patronage of RMOS
Regenerative Medicine Orthopaedic Society**

room 9

15:00 *Revision reconstructions of the ACL reconstructions and PCL, MCL, PLC* - Łukasz Luboiński (Warszawa)

15:15 *Osteotomies around the knee in early OA* - Tahsin Beyzadeoglu (Istanbul)

15:30 *Cartilage regeneration concept: Nose to Knee* - Alan Ivkovic (Zagreb)

15:45 Key principles of HTO and DFO osteotomies according to the London school - Kristian Kley (London)

16:00 *Post op evaluation of the knee cartilage regeneration and ligament graft in MRI* - Bogusław Sadlik (Wrocław)

16:15 *Wroclaw algorithm for rehabilitation after biological implants* - Andrzej Czamara (Wrocław)

16:30 Discussion

17:00-18:00 Film presentations of surgical procedures

room 9

17:00 *Knee arthroplasty using a robotic system (20')* - Bartosz Maciąg (Warszawa)

17:20 *Osteochondral reconstruction with corrective osteotomy (20')* - Bogusław Sadlik (Wrocław)

17:40 *Two-level PSI osteotomy (20')* - Łukasz Luboiński (Warszawa)

19:30 Banquet WRFS NOT ul. Piłsudskiego 74, Wrocław

Saturday, 25 May

Coffee and snacks from 9:00 to 15:00

Foyer level 1

room 4

9:15-10:40 ICL 1 Unicompartmental and superficial knee alloplasty - moderator: Jarosław Jakiej

9:15 *Surface endoprotheses - indications, planning on MRI and CT substages - Tomasz Sorysz (Kraków)*

9:25 *Principles of surgical technique - surface endoprotheses - Tomasz Sorysz (Kraków)*

9:35 *Principles of surgical technique - medial unicompartmental alloplasty - Mirosław Kulej (Bolesławiec)*

9:50 *Principles of surgical technique - single lateral alloplasty - Michał Skowronek (Kraków)*

10:00 *PSI - LIA techniques ver. blocks - Bartosz Maciąg (Warszawa)*

10:10 *Complications and their treatment - Jarosław Jakiel (Wrocław)*

10:20 Discussion

10:30 *Modern operating table accessories - solutions tailored to the needs of professionals*

Łukasz Miaśkiewicz (Warszawa) FAMED

9:15-10:35 ICL 2 HTO DFO periocular osteotomies, two-level, derotational (room 5) - moderator: Bogusław Sadlik
room 5

9:15 *Indications and contraindications* - Patryk Tokłowicz (Wrocław)

9:25 *Analysis of radiological studies, preoperative planning* - Bogusław Sadlik (Wrocław)

9:35 *Basingstoke Knee Osteotomy Concept* - Sam Yasen (London)

9:45 *Principles of surgical technique - DFO osteotomy* - Maciej Pawlak (Gdańsk)

9:55 *Principles of surgical technique - derotational osteotomy* - Łukasz Luboiński (Warszawa)

10:05 *HTO CW osteotomy with PSI after compression fracture of the lateral tibial condyle* - Bogusław Sadlik (Wrocław)

10:15 *Complications and their treatment* - Łukasz Luboiński (Warszawa)

10:25 Discussion

10:35-11:50 ICL 3 MCL reconstruction, lateral knee tenodesis, and glenoid repair techniques (room 4) - moderator: Mateusz Patkowski

room 5

10:35 *Clinical signs of meniscus injury and MRI evaluation, conservative treatment* - Bartłomiej Bobójc (Głogów)

10:45 *Technique of surgical treatment of meniscus, principles of suture planning depending on the morphology of the meniscus injury* - Paweł Gacki (Wrocław)

10:55 *Ramp lesion, posterior horn lesion* - Mateusz Patkowski (Wrocław)

11:05 *Instability in the frontal and rotational planes, principles of clinical examination, ultrasound and MRI evaluation, indications for surgical treatment* - Piotr Wodziński (Wrocław)

10:15 *Principles of surgical technique - MCL reconstruction and augmentation* - Tomasz Żóraw (Wrocław)

11:25 *Principles of surgical technique - lateral tenodesis according to Lemeire* - Łukasz Paczesny (Toruń)

11:35 *Principles of postoperative and rehabilitative treatment* - Paulina Szopińska (Wrocław)

11:45 Discussion

10:45-13:30 Physiotherapy Session: Rehabilitation after knee surgery

room 4

10:45 - 11:15 Wrocław school - Magdalena Matuszewska Go On Clinic, Sebastian Kuflikowski Szpital Orthos, Łukasz Sikorski Czamara Centrum

11:15 - 11:45 Silesian school - Dominik Lubski – Nieborowice, Joanna Rachwalska – Sport Klinika

11:45 - 12:15 Warsaw school - Łukasz Krzyżak – Klinika Ruchu, Łukasz Suska – Klinika Ruchu

12:15 - 12:45 Krakow school - Cholewka Piotr - Sportklinik, Paweł Osak - Sportklinik

12:45 - 13:15 Poznań school - Jakub Kaszyński RehaSport, Bartosz Kiedrowski - RehaSport

12:30-14:30 Workshop:

Foyer level 2

Total knee arthroplasty - Jarosław Jakiel, Patronage: Ortocare

HTO and DFO plus osteotomy, DFO closing osteotomy using PSI - Łukasz Luboiński, Patronage: Mediway

12:30 - 14:30 *Meniscus suturing techniques, extra-articular tenodesis using implants* - Bartłomiej Bobójc, Tomasz Nowak, Piotr Wodziński, Patronage: Smith & Nephew

14:30 Closing of the conference
